

RE: COVID-19 CASE

- We are sorry to hear of an individual in the region that has contracted COVID-19, we wish them a speedy recovery and that their family members remain safe and healthy.
- We are not at liberty to give any details other than we know there is a confirmed case in Lamont County. Reporting of COVID-19 cases are handled by Alberta Health Services and the Government of Alberta.
- The Town of Lamont follows the direction of Alberta Health Services (AHS), which is the authority on COVID-19 for municipalities.
- The Town has a responsibility to the community and our employees to take reasonable measures to limit the spread of COVID-19; and we have been diligent with cleaning and sanitizing protocols.
- We would like to remind members of the community to protect themselves by maintaining physical distancing, washing hands, and wearing a mask.
- Stay safe everyone!
