

Town of Lamont

COVID-19 Update

December 15, 2021

As of December 15, 2021 the following changes have been made to the COVID-19 restrictions:

Indoor Social Gatherings

- Maximum 10 people
- Two-household cohort restriction has been removed
- Vaccination requirement removed
- Children 17 years and younger do not count towards 10 person maximum

These restrictions do not apply to mutual support groups, or to workers who need to access your home to provide caregiving support or home repairs and maintenance

The Town Administration Building is now open. Masks must be worn by any one who enters the building. Social distancing is required.

All Town departments remain operational and they are available to assist residents using alternate measures. Plexiglass barriers, enhanced cleaning and hand sanitizing stations will still remain in place at Town buildings.

Frequently washing or disinfecting your hands, getting vaccinated and staying home when you're sick will continue to be important to protect our community and limit the spread of COVID-19.
