Town of Lamont
COVID-19 Update
June 15, 2022

As of June 14, 2022 at 11:59 pm the following changes have been made to the COVID-19 restrictions:

- Mandatory masking on public transit lifted
- Mandatory isolation removed (becomes recommendation only)
- Masking in Alberta Health Services and contracted health facilities will shift to organizational policy

The Town Administration Building is open.

All Town departments remain operational and they are available to assist residents. Plexiglass barriers, enhanced cleaning and hand sanitizing stations will still remain in place at Town buildings.

Frequently washing or disinfecting your hands, getting vaccinated and staying home when you're sick will continue to be important to protect our community and limit the spread of COVID-19.
