Congratulations 2023 Graduates

Council and Staff send congratulations to the 2023 Graduates.

Now that you're graduating, you're at the beginning of the next chapter of your life. Here's to your success and to your next adventure.

2023 Capital Works Program

The Town of Lamont announced major infrastructure improvements through the 2023 capital budget including road reconstruction, concrete repair and utility improvements. The 2023 Capital Works Program will start in July.

The Town of Lamont would like to thank all residents and businesses for their cooperation and patience through the construction. Please follow the Town of Lamont Facebook Page and website for regular construction updates, notices will be sent to affected residents in the construction areas before work commences.

Budget Survey

The 2024 Budget Survey will be available for residents and business owners to complete beginning in August.

We understand that everyone is feeling the pressures of inflation and we need your input to help Council make decisions for next year's budget.

Participation is voluntary, and responses are anonymous and will be kept strictly confidential.

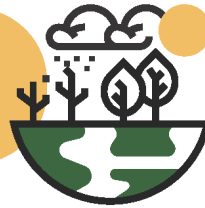

Farmers' Market

An event for the whole family, come out, shop, see what's available and tell your friends. Starting July 5 fresh vegetables and eggs will be available.

Every Wednesday from May 10 to September 27, 2023
3:30 - 7:30 pm at the Lamont Recreation Centre Parking Lot

THE TOWN OF LAMONT: CLIMATE PROJECTION

PROJECT OVERVIEW:

The Town of Lamont is working with Urban Systems to develop a **Climate Change Adaptation and Resilience Plan (CCARP)** aimed towards identifying, understanding, and planning to understand climate change related risks and vulnerabilities regarding its infrastructure, operations, facilities and both private commercial and residential properties.

Information:
countylamontfoodbank.com

APPLICATIONS OF THE CCARP:

Climate hazards are biophysical events or processes that can cause harm to public health and safety, economies, local services and operations, food security, infrastructure and to natural resources and ecosystems.

PROJECT GOALS:

1. The identification of climate hazards.
2. Evaluation and prioritization of climate change risks.
3. Generation and assessment of risk mitigation measures.

PLEASE PARTICIPATE IN LAMONT'S
CLIMATE HAZARDS SURVEY TO
SHARE YOUR EXPERIENCES.
